We are in a battle for the soul of this nation. The righteous have been fighting an on-going battle against immorality, abortion, lawlessness, rebellion against YHWH, humanism, Marxism/socialism and Eastern “spirituality”/New Age for several generations now. The latest addition to this list is the Antichrist religion of Islam and antisemitism. Both are raising their demonic heads at home and abroad in the traditional Judeo-Christian nations of Europe. Islam began knocking on the door of Canada and the U.S. a few decades ago and now because of the large numbers of Moslems in this country Islam has become a threat worth noting. The goal of Islam is definite, for the Koran states it clearly: to take over the world and to dispossess both Christians and Jews of their lands, property and lives.

We find ourselves in this situation because we have failed to repent of the former sins listed above and now the judgment of Islam is coming against us (allowed by Elohim) to hopefully wake us up and drive us to our knees before our Father in heaven.

Where have been the watchmen on the wall of America warning us of these things and urging us to repent? Other than a few lone voices crying in the wilderness, the major leadership of the Church in America has been silent. For them it has been Church business as usual. Unless we repent now, I believe the Titanic is going down in Elohim’s judgment. Listed below are the issues of concern that if not repented of will ensure our losing the huge battle for the soul of this nation.

— **Moral and spiritual leadership must arise in this nation for this nation to be spared the judgments of Elohim** for its sin, lack of fear of the Creator of the universe, for its pride and self importance and for its rebellion against the laws of Elohim as revealed in the Bible.

— **Where are the spiritual leaders who are calling America to repentance?** Where are the prophetic and truth-teaching and truth-practicing spiritual leaders who should be giving Americans the spiritual direction they need and are seeking? In most churches across America it is business as usual —and I emphasize the word business.

— **The Bible says that judgment must begin first at the house of God.** It has to start there for as goes the church house so goes my house and your house, on up to the state house and the white house. In fairness how can a just Elohim take an ungodly nation to task without first holding his own people —especially the leaders — accountable spiritually?

—Where are the spiritual leaders across this nation who have access to the media and who have the nation’s ear? Are there any who are speaking out calling for the Church and America to repent, to turn around and to start obeying the laws of YHWH Elohim — starting with the Ten Commandments? The spiritual leaders who do have the ability to speak out have nearly all capitulated and backed off when they have come under the fire of a godless and amoral left. These would-be leaders love the praises of men more than the praises of the Creator of the Universe.

—Where are the leaders who do not care about their reputations before a godless and hell-bound society — who only care what the truth is and what their Creator says and thinks? Where are this nation’s spiritual leaders in this time of war, a time of national crises? A time when America is fighting for its very survival against anti-Christ

Islam? Make no mistake about it, she is fighting a godless anti-Christ enemy from within as well as outside her borders. As usual, America is relying on the strong arm of her own military, economic and political might and influence, and not on the God of the Bible who allowed her to become great.

—**Where are this nation’s spiritual leaders who should be speaking out like watchmen on the wall**, like voices crying in the wilderness to tell us the truth about our spiritual and moral decline. Yes, this nation is still the most moral and biblical nation on earth, but we are foolish to compare ourselves with the other nations and not with the unalterable standard of the Word of YHWH Elohim itself, adherence to which made this nation what it is?

—**Yes, there are so-called prophets and prophetesses running around all over this nation**, speaking in churches, holding conferences, building their Babylonish towers and monuments dedicated to a god of their own construction who is not the same yesterday, today and forever. A god who has changed times and laws. A god who spurns much of the truth of the Hebraic Roots of the Christian faith. These self-appointed prophetic voices give a message of peace, security and revival. Little is said of the righteous judgments of Elohim and of obedience to the unchanging commandments of YHWH Elohim so clearly delineated in the Torah portion of your Bible and mine. These false and ear tickling prophets have little or nothing to say about the true prophets of the Bible such as Jeremiah, Ezekiel and Isaiah who were calling the people of YHWH back to holiness and righteousness, back to the ancient paths of Torah truth and light, back to the word of YHWH himself that was personified and incarnated into human form, namely, Yeshua the Messiah, (who the Christians call Jesus Christ) who is the Living Torah Word of Elohim come in the flesh. A true prophet of Elohim, the prophet Jeremiah, aptly describes these false prophets in Jeremiah 23 and elsewhere. He said they strengthen the hands of evil doers. They cause none to repent of their wickedness. They spread profaneness throughout the land. They speak a vision of their own heart and not out of the mouth of YHWH. Everyone walks in the imagination of their own heart saying no evil will befall us — only peace, prosperity, security and revival. These false prophets and spiritual leaders have given themselves over to covetousness. They make merchandise of the YHWH’s people and have profaned that which is holy by merchandising the anointing. They have healed the hurt of YHWH’s people slightly saying, peace, peace, when there is no peace. They have not taught YHWH’s people the righteous judgments of Elohim. They have rejected the Torah-word of YHWH and have replaced it with the traditions of men. They have perverted the words of the Elohay Chayim, the Living God, who is YHWH Sabaoth, the Lord of Hosts. The same YHWH says of these false prophets through Jeremiah the prophet, “Therefore, behold, I, even I, will utterly forget you, and I will forsake you, and cast you out of my presence. And I will bring an everlasting reproach upon you, and a perpetual shame which will not be forgotten.” (Jer. 23:39-40)

—**Yes, where are the spiritual leaders across America who should be calling Americans back to the Torah** commandments that David, a man after God’s own heart loved and followed with all of his heart? The same Torah commandments that Yeshua the Messiah said would never pass away and that whoever would disobey would be called least in the kingdom of heaven and whoever would obey would be called the greatest in the kingdom. The same Torah law that Paul said in the book of Romans was holy, just and good and was spiritual, meaning it would never pass away. The same Torah law that many Christians say has been done way with, but about which Paul asked, “Do we make void the law of God by grace? God forbid!” These are same instructions in righteousness that the Creator of the Universe thundered out with his own voice to mankind at Mt. Sinai and which the Apostle John said in his first epistle that anyone who says he knows God and does not keep or obey those very same commandments as a way of life is a liar and the truth is not in him.

—**Where are the prophets and leaders who are giving out this message** — a message that is as straight as an arrow, hits the mark of truth and righteousness every time and a message that has never changed from the foundation of the earth?

—**We have identified the problem.** Or more correctly, the very word of YHWH Elohim, the One who created you and me, itself identifies the problem in the pages of his Word of Life, Light and Truth to all mankind, the Holy Bible. The message is this: REPENT AND STOP SINNING! Turn to Yeshua the Messiah who is not only your Savior, but also your Lord and Master. Stop violating the commands of God unless you want to bring curses, judgment and death upon yourself and this nation. If you, and you and you and a thousand, or million other yous turn back to YHWH a difference can be made. YHWH is gracious and slow to anger. The pages of the Bible are

like a cup which runs over filled with examples of his grace and mercy. Conversely, for those who refuse to repent, who continue rebelliously in their hell-bent ways of arrogance and self destruction the wrath of Elohim, El Elyon, the Most High God, burns with vengeance. He reserves vengeance for himself. Wickedness will be destroyed ultimately and permanently. The holy and righteous character of the Just Judge of the Universe demands it. But until then, he pleads with sinners to repent and to turn from their wicked ways.

—**What are the wicked ways that would bring judgment upon this nation?** As Scripture says, judgment begins first with the house of God — those who claim to be followers of the Bible, be they Jewish or Christian.

•The Elohay Elohim — God of Gods — requires of spiritual leaders complete and unreserved obedience to his Holy Word — the Bible. You leaders, pastors, evangelists, teachers, and rabbis are the most accountable before a Righteous God. Turn away from hypocrisy, arrogance, greed and covetousness. Stop preaching to please your congregations and denominations and start preaching the truth of YHWH. Take no thought for your paycheck, retirement or building fund when you preach. Preach and teach for truth sake alone to be pleasing to your Heavenly Father. Stop being a hireling and preaching for money's sake.

•**You who are hypocritical church and synagogue-goers**, turn from your lukewarm and worldly ways. Your ungodly neighbors and family members are watching you. Are your lives a good witness to the biblical truths and values that you profess with your mouths as you flock to your churches and synagogues each weekend? Do you love God with all your heart, soul, mind and strength and your neighbor as yourself as a Holy God demands? Are you walking in sin? Secret sin? Do you lie, steal, cheat, gossip, murder with your mouth and thoughts? Do you practice what you preach? Do you love God with all your heart, soul, mind and strength and your neighbor as yourself?

—**And to all of my beloved Americans:**

•**Stop murdering your children** and referring to it euphemistically as “pro-choice” or “abortion.” Murder is an abomination to a Holy Elohim and unless you repent make no mistake about it you will suffer the same fate as that innocent child you murdered, except your fate will be eternal. So says YHWH Elohim in his Holy Word. A pro-abortion convention will be held in this city the final weekend of this month extolling the virtues of murdering pre-born babies. Please be praying that the demons of murder will be contained, that the fear of God will be loosed in that place and that the conviction of the Holy Spirit will be there to lead sinners to repentance and to faith in Yeshua as their Lord and Savior. If you would like more information on how you can participate in sharing the love, light and life of Yeshua to the pro-abortion crowd please call 503-XXX-XXXX.

•**Our Heavenly Father is also calling this nation to turn from all sexual sin and perversion.** All sex outside of marriage is sin and an abomination before a righteous and a Holy God. Turn from this sin now, and repent. Cry out to your loving Heavenly Father for his grace and strength to come out of sexual sin. If you are living with someone you are not married to, leave immediately. Do not come back to them unless it is at your marriage ceremony. If you are a homosexual, lesbian, child molester or someone who is addicted to pornography, turn at once from these sins. They will damn you eternally unless you repent. Flee these sins like the plague. The arms of Yeshua the Messiah are open wide to receive you and to show you the way to your loving and gracious Heavenly Father. Life eternal and hope await all those who forsake wickedness and seek YHWH's righteousness and holiness.

•**Those of you who have abandoned your children and families** in pursuit of materialism and selfish self-gratification...repent now! Your riches will perish. Your selfish pleasures will come to an end and your children and marriages will too if you do not make them the priority in your life that God commands.

•**Children, honor, obey and respect your parents** and you will live long and fruitful lives in this blessed land which the Creator of the universe has given to us.

•**Turn away from addictions all kinds.** Drugs, alcohol, nicotine, sex, profanity, pornography, television, entertainment, sports or any other thing that is idolatry and is keeping you from an intimate and loving relationship with YHWH, your Heavenly Father. These sins are destructive to you and your family. Any thing that is more important to you than obedience to your Creator as delineated in the pages of Holy Scripture is idolatry. Whatever takes you

away from walking in accordance with his righteous commandments is sin and idolatry. Turn from these things now. Restore your marriages, your relationships with your children and family by crying out in repentance to your loving Heavenly Father. Ask him for strength to overcome your sin. Pray for deliverance in the name of Yeshua the Messiah. Cry out to him for the salvation of your soul and pray to receive his Ruach HaKodesh, the precious Holy Spirit. Do it today, you are not guaranteed life beyond this very moment.

•**Turn away from false religions all kinds.** Turn away from witchcraft, satanism, divination, sorcery, astrology, mother earth worship, New Age, New Thought and science of the mind religions, Eastern religions including Freemasonry and Luciferianism. Turn away from the demonic and anti-Christ religion of Islam. Turn away from religious systems that deny the deity of Yeshua the Messiah and truth of the Bible. Turn away from Mormonism, Jehovah Witnessism and other such false religious systems masquerading as truth.

•**America, turn away from and forsake atheism, humanism, Marxism or socialism and evolution.** These are all cut from the same cloth and are akin to each other. They all hate the Creator of the Universe and YHWH-Elohim, the God of the Bible. They are all demonic and satanic in origination and will bring curses on your life and on this nation if we do not turn away from these things now. They are all apart of the lies the evil one, the serpent, told man at the Tree of the Knowledge of Good and Evil in the book of Genesis at the beginning. These religious philosophies are destructive and ruinous and will bring judgment, curses and damnation to your life personally and to this nation corporately if we do not repent now.

•**America, remember the Sabbath day to keep it holy.** Six days YHWH the Creator worked, but on the seventh day he rested. He blessed the Sabbath day and set aside that day for a holy purpose. He commanded his people to keep it. It is a sign between him and his holy people. Observe this day, you and your family and be blessed.

—YHWH Elohim, the Creator of the universe says in 2 Chron. 7:14 —

If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land.

But now read several verses later — verses you probably will never hear your pastor or Bible teacher quote:

19 But if ye turn away, and forsake my statutes and my commandments, which I have set before you, and shall go and serve other gods, and worship them;

20 Then will I pluck them up by the roots out of my land which I have given them; and this house, which I have sanctified for my name, will I cast out of my sight, and will make it to be a proverb and a byword among all nations.

America, it is time to get back to the Hebrew/Jewish roots of your Christian faith and return to the truth of YHWH-Elohim as lived and taught by Yeshua the Messiah and the first-century orthodox Jewish, Torah-law keeping, Messianic, Spirit-filled/Charismatic/Pentecostal Believers of the Book of Acts in the Bible!
